Herndon, VA | (571) 523-3946 | tomasbentolila@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

EDUCATION

The Pennsylvania State University - University Park, PA
B.S. Mechanical Engineering | Expected May 2030

Herndon High School - Herndon, VA | Advanced Diploma | Class of 2026 | **4.266 Weighted GPA**
Escuela Argentina, Maryland - AP Spanish Diploma | Class of 2026

ENGINEERING EXPERIENCE

Herndon High School Robotics Team - FRC Team 116, Epsilon Delta | Herndon, VA
FRC Captain | Aug 2022 - Jun 2026

- Led a **50+ member FRC team**, coordinating mechanical, electrical, software, manufacturing, and competition strategy.
- Designed and manufactured robot components using **Onshape CAD and shop equipment**, including systems for a competition robot with swerve drive, intakes, and end effectors
- Mentored members, organized team operations, and represented the team at competitions; finished **16th of 112 teams** in the 2025 Chesapeake District.

STEM PathfindR - 1st Place & Best Use of AI, AWS AI Hackathon | May-Jun 2026

- Developed a STEM career platform combining interactive simulations, market intelligence, and interview preparation.
- Integrated **AWS and Amazon Bedrock** for AI-driven simulations, career insights, and personalized experiences.
- Built AI interview preparation with **body-language analysis**; won **1st Place overall and Best Use of AI**.

ADDITIONAL EXPERIENCE

FIRST Robotics Competition - Volunteer | 2023-2026

Supported competition operations, assisted teams with technical issues, and answered competition-rule questions.

Chipotle Mexican Grill - Crew Member | 2025

Provided customer service, handled transactions, and collaborated in a high-volume environment.

U.S. Soccer Federation - Referee | 2020-2024

Officiated competitive matches, enforced FIFA Laws of the Game, and managed high-pressure situations.

HART - Volunteer | 2021

Cared for animals, maintained kennels, and assisted clients.

TECHNICAL SKILLS

Programming: Python, Java, C#, JavaScript, MATLAB

Engineering: Onshape, CAD, Mechanical Design, 3D Modeling, Blender, Manufacturing

Robotics: FRC, Swerve Drive, Pneumatics, Robot Design, Troubleshooting

Cloud/Systems: AWS, Amazon Bedrock, Linux, Docker, Git, GitHub, Networking

Languages: English & Spanish - Native/Bilingual

CERTIFICATIONS & AWARDS

AWS Certified Cloud Practitioner | 2026

AWS AI Hackathon - 1st Place & Best Use of AI | 2026
