EDUCATION

The Pennsylvania State University — University Park, PA
B.S. Mechanical Engineering | Expected May 2030

Herndon High School — Herndon, VA
Advanced Diploma | Class of 2026 | 4.266 GPA

Escuela Argentina, Maryland
Spanish Diploma | Class of 2026

ENGINEERING & TECHNICAL EXPERIENCE

FIRST Robotics Competition - Team 116, Epsilon Delta

Mechanical Lead | Cad & Design | Herndon, VA | 2023–2026

- Modeled and prototyped competitive mechanical subsystems in Onshape, taking designs from initial concept through CAD iteration and fabrication.
- Helped with game strategy for the 2025 REEFSCAPE season, optimizing match scoring cycles and field positioning to achieve 16th place out of 112 teams in the Chesapeake District.
- Diagnosed and resolved electrical/data disconnections and mechanical reliability issues under high-stress competition conditions.
- Selected by peers to step into team captain and leadership responsibilities for upcoming season strategy.

STEM PathfindR - First Place & Best Use of AI, AWS AI Hackathon

Developer & Systems Builder | 2026

- **Awarded 1st Place overall out of all competing teams** for developing an AI-driven STEM career exploration platform using AWS Bedrock and Python.
- Engineered interactive, scenario-based career simulations allowing users to execute professional decisions and receive dynamic AI feedback.

- Integrated an interview-preparation tool featuring automated feedback models and body-language video analysis.
- Technologies: AWS, Amazon Bedrock, Python, AI/ML, Docker, Git

Soccer Referee

Certified Match Official | Herndon, VA | 2020–2024

- Officiate competitive soccer matches while enforcing game rules and maintaining a safe, organized playing environment.
- Communicate decisions clearly with players, coaches, and other officials in fast-paced situations.

TECHNICAL SKILLS

Programming: Python, Java, C#, MATLAB, JavaScript

Engineering & CAD: Onshape, Blender, 3D Modeling, Mechanical Design, CAD

Systems: Linux, Ubuntu, Docker, Git, GitHub, Networking

Robotics: FIRST Robotics Competition, Mechanical Systems, Robot Design, Troubleshooting

Other: Video Editing, Data Visualization

ACTIVITIES & LANGUAGES

- **Athletics:** Varsity Track & Field / Cross Country, Soccer
- **Diplomas:** Escuela Argentina Spanish Diploma
- **Languages:** English (Fluent), Spanish (Fluent)
